

Visions Unusual

Life & Leadership Skills

Margo Kirtikar, Ph.D.

WORKSHOP

Self Knowledge & Cosmic Consciousness

March 25 & 26, 2006
in Lonay (near Morges)

In this weekend workshop you will

- tune in to connect with your true self and with the energy field surrounding you
- understand who you really are as you integrate your many selves
- unlock the force within you, your true potential, to create miracles in your life
- learn to meditate to avoid stress
- learn to relax to recharge your batteries
- learn to energize yourself
- develop love energy to feel at one with the human family
- learn about the process of creation to make your dreams reality

... through understanding theory and process, and then by experimenting and experiencing

All ages, all professions welcome - with or without experience.

Program includes Creating energy flow, balancing yoga breath, chakra meditation, relaxation techniques, awakening third eye vision, developing intuition, connecting with Higher Self
